SUMMARY

Passionate Software Developer with a focus on Progressive Web Applications (PWAs) and Mobile Applications, bringing over 2 year of hands-on experience to the table. Skilled in HTML, CSS, and JavaScript, I have quickly expanded my expertise to include powerful frameworks like Express, NextJS, and ReactJS. Currently diving into Mobile Development with React Native, I am dedicated to crafting seamless, high-performance user experiences across platforms. Always eager to learn and adapt, I thrive in dynamic environments where innovation and creativity are at the forefront.
